

Firm Launches New Subscription Plan

The Prinz Law Office is pleased to announce the launch of a new subscription plan, which is intended to simplify the process of working with a lawyer for companies as well as individuals. The firm's subscription plans have been designed to uniquely enable clients to hire and communicate with counsel without the fear or worry of an accruing billable hour.

Subscriber clients will pay a flat monthly rate each month with the option of purchasing add-on services at an additional flat fee rate that they can easily estimate in advance of making a work request. Subscription prices will start at just \$150 at the lowest bronze level.

The new subscriptions are available to clients immediately.
