The Encryption Debate: Will Government or Industry Win?

When the Justice Department decided to wage a legal battle against Apple over encryption on the iPhone of one of San Bernardino terrorists, the government moved the encryption debate into the public arena and triggered a public debate over the issue. Now, it is reported that the government is considering launching a second case over the encryption issue against yet another company. Who will be the ultimate winner in this debate? The Silicon Valley Software Law Blog explores the issues in the following blogpost:
