

How to Protect Your Ideas Before the Launch of a Software Start-up

How do you protect your ideas before you launch your novel software start-up? The Silicon Valley Software Law Blog explored this issue in the following blog post linked here:

Consider Alternatives to Equity When Launching Your Start-up's First Development Project

If you are like many software start-ups, you probably think that equity is the only way to pay for your development work. However, this is not in fact the only option for a cash-strapped start-up, as the Silicon Valley Software Law Blog discussed in the blog post linked here:
