

The Prinz Law Office adds New Downtown San Jose Address

The Prinz Law Office is pleased to announce that we have added a new Silicon Valley address in downtown San Jose.

Our new address is centrally located in downtown San Jose at 84 W. Santa Clara St, Suite 788, San Jose, CA 95113. We are conveniently located near the San Jose airport and other downtown San Jose attractions, including the Superior Court of California and the new Santa Clara County Family Justice Center. We are also walking distance from the U.S. District Court, Alfred E. Alquist State Building, and McEnery Convention Center.

Our address change is effective immediately and we are now accepting reservations for in-person meetings at this location.

To schedule a meeting at our new Silicon Valley location in downtown San Jose, you may visit our scheduling link at <https://calendly.com/prinzlawoffice.com>.

Should Your Software Company

Be Concerned about Product ADA Compliance?

If your software company is like most, it may have considered whether the office space it was leasing was compliant with the Americans with Disabilities Act (“ADA”) prior to signing the lease, but the idea that the products the company was selling might not be ADA compliant has never been contemplated by anyone. However, now may be a good time to give the issue some serious consideration, as the Silicon Valley Software Law Blog explains in the following blogpost:

Should Your Software Company Be Concerned about Product ADA Compliance?

Microsoft Launches New Constitutional Challenge Against Alleged Federal Government Searches of Customer Data in Cloud

Microsoft has just launched a constitutional challenge against the federal government over its use of indefinite gag orders

when the government subpoenas information from customer cloud account. The action was clearly timed to capitalize on public sentiment against the government for its perceived intrusion on privacy rights in the recent action against Apple regarding the encryption of the San Bernardino terrorist smartphone. The Silicon Valley Software Law Blog further explores this development in the blogpost linked below:

<http://www.siliconvalleysoftwarelaw.com/microsoft-launches-new-constitutional-challenge-against-government-over-secret-data-requests>

Third Party Successfully Unlocks Terrorist iPhone, ending Government Encryption Case Against Apple

The U.S. Justice Department has announced that the third party who came forward and convinced the FBI that it could unlock the San Bernardino terrorist's encrypted iPhone successfully unlocked the encrypted iPhone, ending the standoff between Apple and the FBI. The Silicon Valley Software Law Blog addressed the developments in this fight between the U.S. Government and Apple in the following blogpost:
