

What Software Companies Need to Know about the GDPR

The European Union's General Data Protection Regulation (the "GDPR") will go into effect on May 25, 2018. In case you are not up to speed on the law already, what do you need to know about it before it goes into effect? The Silicon Valley Software Law Blog addressed the highlights of the regulation in the following blogpost

Report Claims that Most Apps Fail to Protect Users' Privacy

Do most apps on the market fail in provider users' with basic privacy protections?

As the Silicon Valley Software Law Blog reported in a recent blog posting, a recent study suggests that this is in fact a common problem in the software industry, as further discussed in the link below:
