# **Recent Class Actions Provide Valuable Lesson on Why SaaS Contracts Should Be Drafted to Fit A Company's Business Model**

If your company is like most, you may be using a software agreement that has nothing to do with your company's business practices or business model. Why is this a bad idea? Well, several recent class action suits provide a recent example of why this can be very problematic for a software company. The Silicon Valley Software Law Blog addresses this issue in the following blogpost:
