

The Prinz Law Office Announces Launch of New Alternative Billing Plans

Press Release 10.3.18

Could a Software Developer Whose Code is Used for Hacking be Convicted of a Crime?

If you are a developer and you develop code that hackers then use to commit crimes, then you may be at risk for criminal prosecution. Could prosecution of developers for code used by hackers be a new trend in law enforcement? For more information on the risks to software developers, please check out this Silicon Valley Software Law Blog posting:
