## The Prinz Law Office Announces Launch of New Alternative Billing Option

The Prinz Law Office has announced the launch of a new alternative billing model: the subscription billing model. The firm will initially be offering daily and half-daily subscriptions to our clients. The model is anticipated to be a good fit with companies that have ongoing legal review or advice needs in the transactional space that can be easily anticipated and scheduled for a specific block of time. For information on how the subscription billing model will work, please contact Firm Founder Kristie Prinz at [kprinz@prinzlawoffice.com](mailto:kprinz@prinzlawoffice.com).
